Re: Applications of Comcast Corporation, General Electric Company and NBC Universal, Inc. for Consent to Assign Licenses or Transfer Control of Licensees, MB Docket No. 10-56

Dear Messrs. Hammer and Solomon:

By letters to each of you dated June 24, 2010, the Media Bureau confirmed our telephone conversations of earlier that day during which the Bureau advised you of certain deficiencies in the respective responses of your clients, Comcast Corporation and NBC Universal, Inc., to the Bureau's May 21, 2010 Information and Document Requests. As the letter instructed, we stopped the 180-day transaction time clock in this matter, paused at June 11, 2010, and indicated that we would restart it at such time as Comcast and NBCU had resubmitted their respective responses.

This is to confirm our receipt of Comcast's revised responses on July 1, and those of NBCU on July 6, 2010. In accordance with our June 24 letters, today, we are restarting the transaction time clock, as of July 6, 2010. As such, today, July 13, 2010, is Day 45 under the time clock.

Sincerely,

William T. Lake
Chief, Media Bureau
